

Name _____

The Hilarious Adventures of Class Pet Chaos

Short Answer Key

1. Possible Answer: Dino's presence brought excitement, laughter, and unity to the classroom. It helped diffuse conflicts among students and made school more enjoyable.
2. Possible Answer: During a math lesson, Dino started to deflate, making a loud hissing sound. The students giggled, and Mr. Thompson rushed to re-inflate him while the students laughed uncontrollably.
3. Possible Answer: Dino became the mascot of the school because other teachers and students heard about him, and he started making appearances in school events and assemblies, spreading laughter and cheer.
4. Possible Answer: When conflicts or tension arose among the students, they would gather around Dino, share stories, and make each other laugh. Dino's presence helped bring people together and resolve conflicts.
