## Clockwork Catastrophe

### Short Answer Key

1. Possible Answer: Sam triggered the Catastrophe by accidentally setting off a chain reaction in his workshop. The result was the malfunction of clockwork infrastructure, chaos, and disarray in Clockwork City.
2. Possible Answer: Ellie used her mathematical expertise to decipher clues, and Max's agility helped them navigate traps and obstacles during the journey.
3. Possible Answer: They realized the importance of maintaining a delicate balance between man-made marvels (technology) and the natural world, appreciating both aspects of life.
4. Possible Answer: They outsmarted a colossal clockwork guardian to obtain the Timepiece, which they needed to rewind time and reverse the Catastrophe.
