

Name _____

Colonial Clashes

Short Answer Key

1. The Spanish wanted to spread Christianity, find gold, and expand their empire.
2. To help with fur trading and protect their land from the British.
3. Building settlements, farming, and growing cash crops.
4. The British won and took control of more land, but it also led to higher taxes on the colonies.
5. Britain taxed the colonies to pay for the war, leading to anger and the fight for independence.
