## Colorful Solution

### Open-Ended Response Answer Key

1. Answers will vary, but students should describe a crayon's perspective and a suggested change Duncan could make.
2. Answers should explain how Duncan's solution shows that working together and valuing everyone's contributions leads to a better result.
3. Answers should discuss how thinking outside the box (using unexpected colors) made the drawing unique and interesting.
4. Answers should describe a personal experience where creative thinking helped solve a problem.
