

Name _____

Lucille Ball: The Queen of Comedy

Short Answer Key

1. Lucille Ball's childhood was difficult. Her family struggled financially after her father passed away, but she always loved to perform.
2. She moved to New York City to study acting, worked as a model, and took small acting jobs before moving to Hollywood.
3. It was funny, creative, and had memorable moments, like Lucy's grape-stomping and chocolate factory scenes.
4. She faced rejection in Hollywood, worked hard to succeed in a male-dominated industry, and experienced personal struggles like divorce.
5. She became one of the first women to run a TV production company, creating opportunities for other women in the business.
