

Name _____

Joan Rivers: A Trailblazing Comedian

Open-Ended Response Answer Key

1. Yes, because comedy helps people talk about important topics in a fun way. No, because some jokes might be too harsh for certain audiences.
2. It is important to keep going because challenges are part of life, and success often comes after hard work.
3. Comedy can help people understand difficult topics, make people think, and bring attention to important issues.
4. I would tell funny stories about everyday life and share positive messages about being kind and working hard.
