

Name _____

Eddie Murphy: A Comedy Superstar

Open-Ended Response Answer Key

1. It is important to practice because it helps you get better at what you love to do. If you practice a lot, you can improve and become successful, like Eddie Murphy did with comedy.
2. One challenge I faced was learning how to ride a bike. At first, I kept falling, but I kept trying until I finally learned.
3. People can use their talents by making music, writing books, playing sports, or helping others in their community.
4. I would ask Eddie Murphy what his favorite movie role was and why. It would be interesting to hear about his favorite character and experience.
