

Name _____

Communism: A Unique System of Government

Open-Ended Response Answer Key

1. Answers may vary, but responses should include reasoning for whether focusing on equality is a good thing and why.
2. Real-life examples could include countries like the former Soviet Union or North Korea. Challenges may include limited personal freedoms, while benefits could include access to basic needs.
3. A communist government might encourage innovation by providing incentives or rewards for those who come up with new ideas or inventions.
4. Answers will vary, but responses should include a plan for ensuring equal resource distribution and reasons for how it benefits the community.
