## The Comic Con Quest

### Open-Ended Response Answer Key

1. The friends transformed into heroes with unique powers: Lily controlled electricity, Max understood all languages, Zoe could heal and mend, and Ben projected illusions. These artifacts made their MegaCon experience memorable and attracted attention from convention-goers, creators, and fans, leading to numerous interactions and opportunities.
2. The friends' interactions at MegaCon exemplified heroism as they selflessly helped others, inspired fellow fans, and showcased the qualities of kindness, generosity, and unity.
3. The victory in the cosplay showdown against The Costume Crusader boosted the friends' confidence and earned them respect and admiration. It validated their unique abilities and their journey of self-discovery.
4. Throughout their adventure, the friends realized that heroes aren't just defined by their powers, but by their actions and willingness to make a positive impact. They went from seeking adventure to embodying heroism through their kindness and support for others.
