

Name _____

The Harmony of Conformity

Open-Ended Response Answer Key

1. The system of Conformity suppresses individuality and creativity by imposing strict rules and limiting freedom of thought.
2. Challenging a rigid system can lead to personal growth, the discovery of new perspectives, and the pursuit of individuality. However, it also carries the risk of punishment and conflict with the authorities.
3. Lily evolves from a conformist to a rebellious individual, representing the awakening of the human spirit and the pursuit of personal freedom in a stifling society.
4. Answers may vary, but students may consider the benefits of conformity in maintaining order and cooperation while also recognizing the importance of individuality in fostering creativity and personal growth.
