## The Analects by Confucius

### Open-Ended Response Questions

1. Compare and contrast Confucianism with another philosophical or religious tradition you are familiar with in terms of their core values and teachings.
2. Discuss a real-life example where the principles of Confucianism, as discussed in "The Analects," could be applied to address a contemporary social or ethical issue.
3. How might the teachings of Confucius in "The Analects" be relevant to individuals living in today's globalized and diverse world?
4. Reflect on a personal experience or observation where you have seen the importance of family and filial piety, as emphasized in Confucianism, in your own life or the lives of others.
