

Name _____

The Laughable Conspiracy Hunter

Short Answer Key

1. Max chased the squirrel all over the neighborhood, shouting about the impending gnome invasion.
2. Max believed that the local post office was secretly controlling minds with stamps. He disguised himself as a postal worker to blend in but accidentally stapled envelopes to his own fingers.
3. Max spent hours interrogating a sandwich because he believed it held the secrets of the universe.
4. Max learned that a little skepticism is healthy and that not everything is a conspiracy. He decided to take a break from wild investigations and enjoy life's simple pleasures.
