

Name _____

Ode to Late-Night Conversations

In the stillness of night, we come together,
With secrets and dreams, we share and tether.
Late-night conversations, hearts open wide,
Ode to these moments, where we confide.
Revealing our hopes, our fears, our plight,
In the dark, we find solace and light.
Ode to late-night talks, our spirits take flight,
Beneath the stars, in the soft moonlight.
