

Name _____

The Parallel Conversations

Short Answer

1. Describe Dr. Olivia Reynolds' initial feelings and reactions when she discovered her ability to communicate with alternate versions of herself.
2. What knowledge and experiences did Olivia gain from her conversations with her alternate selves?
3. What ethical dilemma does Olivia face, and why is it challenging for her to make decisions based on her interdimensional conversations?
4. Can you provide an example of an unforeseen consequence or ethical dilemma that Olivia encountered during her conversations with alternate versions of herself?
5. In your opinion, what would be the right course of action for Olivia to take regarding her ability to communicate with alternate versions of herself, considering the ethical dilemmas she faces?
