## The Cosmic Conundrum

### Short Answer Key

1. Max had a mysterious portal to other dimensions in his backyard.
2. Max met a wise old owl named Orion, who advised him on navigating the cosmic realms.
3. Max learned about the interconnectedness of the multiverse through his adventures in different dimensions.
4. The potential threat to the multiverse was dark forces seeking to exploit the portal's power. Max faced a decision about whether to keep the portal a secret or become a cosmic guardian.
