Name _____

## Life on the Farm: A Farmer's Journey

**Open-Ended Response Questions**

1. Imagine you are a farmer. What type of crops or animals would you like to raise on your farm, and why?

2. Discuss some of the challenges farmers might face due to unpredictable weather patterns. How can they adapt to such challenges?

3. Explain the role of farmers in providing food for the community and the importance of their hard work.

4. Can you think of any modern technologies that farmers might use to improve their farming practices? How could these technologies benefit farmers?
