## Culinary Creativity: A Taste of Magic

### Open-Ended Response Answer Key

1. Answers will vary. Students may describe a dish they would create, such as a dessert from their favorite cuisine, and explain why they chose it.
2. Students may discuss the responsibility of using unique abilities for the benefit of others and avoiding misuse or harm.
3. Students may share personal experiences of food bringing people together, such as family gatherings, celebrations, or cultural traditions.
4. Students may imagine a magical food-related gift, such as the ability to grow food instantly, and discuss how they would use it to help those in need or promote sustainable practices.
