

Name _____

Robots and Cyborgs: The Future of Technology

Open-Ended Response Answer Key

1. (Answers may vary) Example: I would like my robot to help me with my homework because it can find information quickly.
2. (Answers may vary) Example: I would want to have super strength, and I would use it to lift heavy things for people who need help.
3. (Answers may vary) Example: I think the world would be more efficient, and people might have more free time to do fun things.
4. (Answers may vary) Example: We can make rules and laws to ensure they are used to help people and not harm them.
