

Name _____

Empowering Through Education: Breaking the Cycle of Poverty

Short Answer

1. Explain how education can provide individuals with the knowledge and skills needed to secure better job opportunities and increase their income.
2. Describe a scenario in which education helps individuals make informed decisions that positively impact their lives.
3. How can skills training empower individuals to take control of their economic future and break free from poverty?
4. Provide an example of how entrepreneurship and innovation can contribute to economic growth and poverty alleviation in a community.
5. What challenges might individuals face in accessing education and skills training programs, and how can these challenges be addressed?
