## Empowering Through Education: Breaking the Cycle of Poverty

### Open-Ended Response Questions

1. Discuss the long-term effects of breaking the cycle of poverty through education and skills training, both for individuals and for their communities.
2. Reflect on the inspirational story of Frida Kahlo, who overcame physical and emotional challenges to become an iconic artist. How can her determination and creativity serve as a source of motivation for individuals seeking to break free from poverty?
3. Consider the role of governments and organizations in promoting education and skills training as means of poverty alleviation. What strategies can they employ to ensure equitable access to these opportunities for all?
4. Imagine a world where every child has access to quality education and skills training. How might this transform the global landscape of poverty and inequality?
