Name _____

The Story of Icarus and Daedalus

Short Answer

1. What materials did Daedalus use to create wings for himself and Icarus?

2. What were the consequences of Icarus ignoring his father's warnings?

3. How did Daedalus eventually find refuge after the tragedy of Icarus?

4. In your own words, what is the main lesson or moral of the story of Icarus and Daedalus?

5. If Icarus had heeded his father's warnings, how might the story have ended differently?
