

Name _____

The Story of Icarus and Daedalus

Short Answer Key

1. Daedalus used feathers and wax to create wings.
2. The consequences of Icarus ignoring his father's warnings were his wings melting and him falling into the sea.
3. Daedalus eventually found refuge in a new land after the tragedy of Icarus.
4. The main lesson of the story is the perils of arrogance and not listening to wise advice.
5. If Icarus had heeded his father's warnings, he would have safely escaped with him from Crete.
