

Name _____

Debate Dynasty

Short Answer Key

1. The conflict between Sarah and Alex during the debate practice session revolved around healthcare reform. They resolved it by finding common ground and crafting a persuasive argument that combined elements of both their viewpoints.
2. Maya played a crucial role in mediating conflicts within the debate team by suggesting compromise and finding middle ground. For example, in a debate on immigration reform, she proposed a solution that balanced border security with a pathway to citizenship, easing tensions within the team.
3. The Oakridge High debate team's victory inspired a surge of interest in debate within the school. This led to the creation of a new debate program, allowing more students to participate and learn from the legendary team's success.
4. The storytelling approach used by Sarah during the debate on income inequality brought a human element to their argument. It helped the judges connect emotionally with the issue, making their case more compelling and ultimately contributing to their victory.
5. Beyond the debate chamber, Sarah and Alex's partnership evolved into a deep bond founded on respect and understanding. They both pursued careers in politics, known for their ability to bridge divides and find common ground among differing perspectives.
