## Unlocking the Government of Bangladesh: A Journey of Democracy

### Open-Ended Response Answer Key

1. The government of Bangladesh faces challenges such as poverty, infrastructure development, and environmental concerns. It has made progress in areas like education and healthcare but continues to work on addressing these challenges through policy initiatives and development programs.
2. The commitment to democracy in Bangladesh is evident through regular elections, a multiparty system, and the active participation of the people in the political process. This commitment has contributed to the country's democratic stability and governance.
3. Members of parliament and the Prime Minister in Bangladesh are elected through general elections held every five years. Political parties compete for seats in the Jatiya Sangsad, and the party or coalition with the majority forms the government.
4. Civil society organizations, including NGOs, play a crucial role in Bangladesh by advocating for human rights, social justice, and environmental sustainability. They work to hold the government accountable and promote positive change in society through their initiatives and advocacy efforts.
