

Name _____

Exploring the World of Dentistry: A Bright Smile Career

Short Answer

1. What degrees do you need to become a dentist, and how long does it typically take to earn them?
2. Name one skill that dentists should possess and explain why it's important for their work.
3. Can you describe one of the tasks dentists perform during a routine check-up?
4. Why is patient education about oral hygiene practices an essential part of a dentist's job?
5. How do licensing requirements for dentists ensure patient safety and quality care?
