## Stranded on a Desert Island

### Short Answer Questions Answers

1. Bob and Sarah initially tried to stay positive, thinking it would be a chance to live the Robinson Crusoe dream.
2. Some of the humorous mishaps included trying to catch fish with their bare hands, failing to build a stable shelter, and Bob getting stuck in a palm tree while retrieving coconuts.
3. Bob and Sarah attracted the attention of curious dolphins when they lit a signal fire, thinking it was a rescue ship.
4. Bob and Sarah finally signaled for help when they wrote an SOS message in the sand, which was spotted by a passing fishing boat.
5. Answers may vary but could include lessons about resilience, adaptability, and finding humor in challenging situations.
