

Name _____

The Mirror of Destiny

Short Answer Key

1. The kids discover the mirror's power when Emily touches the mirror's frame, causing it to shimmer and reveal glimpses of the future.
2. The kids see glimpses of their potential future selves: Emily as an environmental advocate, Max as a world-renowned athlete, Sofia as a famous painter, and Jake as an inventor with groundbreaking creations.
3. After seeing their potential future selves, the kids make a pact to support each other and work towards their goals. They decide to shape their own destinies.
4. Over the years, Emily becomes an environmental advocate, Max dedicates himself to sports, Sofia pursues her passion for art, and Jake immerses himself in inventing. They face challenges and setbacks but continue to support each other.
5. The kids learn that while glimpses of the future are exciting, it is their actions in the present that truly shape their destinies.
