

Name _____

Unveiling Pride and Prejudice: A Detailed Analysis

Short Answer Key

1. Mr. Darcy's character evolves from being proud and aloof to revealing an honorable and compassionate side as he falls in love with Elizabeth.
2. Charlotte Lucas represents societal expectations for women in the 19th century, where marriage for financial security was often considered a practical choice.
3. Social class is significant in the novel, as characters like Mr. Darcy and Lady Catherine de Bourgh highlight the importance of social hierarchy. For example, Mr. Darcy initially hesitates to marry Elizabeth due to her lower social status.
4. The novel uses humor and wit in its satirical observations and sharp dialogue, adding entertainment value while also commenting on societal norms.
5. Elizabeth Bennet is considered a strong, independent female character because she values intelligence and character over wealth and social status, challenging the expectations placed on women in her time.
