## The Mystery Detectives

### Short Answer

1. What were some of the mysterious occurrences in their neighborhood that prompted the kids to form the detective club?
2. Describe one of the techniques the detective club used to solve the case of the missing bicycles.
3. Who turned out to be the culprit behind the gnome theft, and how did they find out?
4. How did being part of the detective club change the kids' perception of themselves and their friendships?
5. Explain the significance of Mr. Johnson's involvement in the first case the detective club solved.
