## Becoming the Best You: Developing Good Character Traits

### Open-Ended Response Answer Key

1. Answers will vary. Students should describe the challenging experience, their actions and reactions, and the character traits they exhibited (e.g., patience, resilience, empathy).
2. Answers will vary. Students should identify a role model, describe their admired character traits, and explain how those traits inspire personal growth and improvement.
3. Answers will vary. Students should share a personal experience of being patient and resilient in developing a character trait, highlighting the challenges they faced and how they overcame them.
4. Answers will vary. Students should offer advice and guidance to a younger sibling or friend, emphasizing the importance of self-awareness, setting goals, seeking positive influences, and practicing character traits like responsibility and empathy.
