

Name _____

The Time-Traveling Diary

Short Answer Key

1. The ancient diary had a leather cover and yellowed pages.
2. When the narrator read one of Eleanor's diary entries, they experienced that moment in time.
3. The narrator left messages for Eleanor by writing in the diary.
4. The narrator's mission is to learn more about their great-grandmother's life and leave a lasting connection between their generations.
5. Answers may vary, but students might suggest that the time-traveling diary will deepen the narrator's understanding of history and create a strong emotional bond with their great-grandmother.
