## Digital Echoes

### Short Answer Key

1. The Haiku mentions activities associated with social media, such as taking selfies, using filters to enhance photos, and seeking validation through likes.
2. Answers may vary but could include reasons such as wanting to feel accepted, seeking approval from peers, or experiencing social pressure to conform to certain standards.
3. Answers will vary. Students can share personal experiences or thoughts related to using filters on social media, whether it's to enhance photos or express themselves creatively.
4. The constant pursuit of likes and validation on social media can positively boost one's self-esteem when receiving positive feedback but negatively affect it when faced with criticism or a lack of likes.
5. Positive aspects of using social media include staying connected with friends and family, expressing creativity, and sharing meaningful experiences. Negative aspects can include cyberbullying, addiction, and unrealistic beauty standards.
