

Name _____

Quest for the Digital Realm

Short Answer Key

1. The avatars' roles were as follows: Alex was the fearless warrior, Emma was the agile rogue, Max was the mighty wizard, and Mia was the healer.
2. The Water Nymph determined if someone had a pure heart to approach the Enchanted Lake by posing a riddle. Only those who solved the riddle with a pure heart could approach the lake unharmed.
3. Mia, the healer, played a crucial role during the battle with the Thunder Titan in the Stormy Peaks. She ensured their stamina remained high, allowing the team to continue the battle with energy and determination.
4. The final outcome of the friends' quest in "RealmQuest" was the restoration of the digital world to its former glory. Their actions had a positive impact on the virtual realm, bringing peace and balance.
5. The friends learned the importance of teamwork, cooperation, and problem-solving. They also discovered that the real adventure was the friendship they had forged along the way.
