The Time-Traveler's Dilemma

Open-Ended Response Questions

1. What were some of the ethical dilemmas the Temporal Explorers faced during their time-travel adventures? How did these dilemmas impact their decisions?
2. How did the Temporal Explorers' experiences in the past and future shape their understanding of the world and their responsibilities?
3. Do you think the Temporal Explorers made the right choice in returning the time machine to Professor Tempus' Time Emporium? Why or why not?
4. If you had the opportunity to time travel, what time period would you visit, and what impact do you think it would have on your perspective on the world?
