## The Dinosaur Adventure

### Open-Ended Response Answer Key

1. Timmy and Lily might have learned that some dinosaurs had long necks to reach leaves on tall trees.
2. [Student's answer will vary]
3. The adventure is described as "exciting and full of learning" because they got to see and learn about amazing dinosaurs.
4. I think a T-Rex's roar sounded very loud and powerful, like a big thunderstorm.
