Name _____

Time Travelers: Solving Dinosaur Mysteries

Short Answer

1. What fell out of the old book when the friends opened it, and where did it lead them?

2. Describe one of the challenges the friends faced during their time-traveling adventures and how they solved it.

3. What lesson did the friends learn from helping the baby Tyrannosaurus Rex?

4. How did the friends communicate with the Parasaurolophus?

5. If you could time travel to any period in history, where would you go and why?
