

Name _____

Time Travelers: Solving Dinosaur Mysteries

Short Answer Key

1. An ancient map fell out of the old book, leading them to a hidden doorway and a time portal to the age of dinosaurs.
2. One of the challenges the friends faced was retrieving a stolen dinosaur bone from a Velociraptor, which they solved through teamwork and quick thinking.
3. The friends learned the importance of compassion and helping others from their experience assisting the baby Tyrannosaurus Rex.
4. The friends communicated with the Parasaurolophus by deciphering its unique language.
5. If I could time travel to any period in history, I would go to ancient Egypt to witness the construction of the pyramids and learn about their civilization.
