

Name _____

Undercover Diplomat

Short Answer Key

1. The enemy government was known for its cunning and deceit, and they were developing a dangerous weapon that could cause global devastation.
2. Alex used clever disguises and quick thinking to avoid detection. They also acted like the diplomat they were impersonating, adopting mannerisms and habits to maintain their cover.
3. The thrilling escape involved a chase where Alex narrowly evaded capture by the enemy. They managed to escape across the border to safety, carrying crucial information with them.
4. Alex was hailed as a hero because they risked everything to prevent a global crisis by infiltrating the enemy government and uncovering their dangerous plans. They delivered crucial information to their own country's intelligence agencies, saving the world from potential disaster.
5. Before assuming the role of Diplomat David, Alex underwent a complete transformation. They learned the diplomat's habits, mannerisms, and adopted a new name. They also forged a new identity to blend in seamlessly with the diplomatic community.
