## Voyage of Dreams and Disaster

### Open-Ended Questions

1. If the Titanic had carried enough lifeboats, how might the outcome have been different?
2. What does the Titanic's story teach us about the importance of safety in design?
3. How do you think passengers from different classes experienced the disaster differently?
4. Imagine you were a journalist in 1912 reporting on the Titanic. What would you say to help readers understand the event?
