

Name _____

Discovering and Publishing Anne Frank's Diary

Open-Ended Response Answer Key

1. Miep and Jan Gies played a crucial role in discovering and preserving Anne Frank's diary. Their actions helped protect the diary from being lost or destroyed, and they ultimately gave it to Otto Frank, ensuring Anne's legacy.
2. Otto Frank's decision to publish Anne's diary was significant as it allowed the world to witness the Holocaust through the eyes of a young girl in hiding. The diary serves as both a historical and literary testament to the Holocaust, providing a unique perspective on the events of that time.
3. Anne Frank's diary changed the world's understanding of the Holocaust by humanizing the experiences of those in hiding. It brought the personal stories and emotions of the victims to light, making the Holocaust more relatable and impactful.
4. Anne Frank's diary continues to resonate with readers today because it conveys universal themes of hope, courage, and the enduring spirit of humanity in the face of adversity. Her message remains relevant, inspiring people to stand against intolerance and discrimination.
