Name _____

Cracking the Code: Strategies to Tame Discretionary Spending

Short Answer

1. Can you provide an example of a discretionary expense you've had recently?

2. How does prioritizing your discretionary expenses help you manage your budget?

3. Why is using cash or a debit card a helpful strategy for reducing discretionary spending?

4. Share a personal experience related to tracking your discretionary spending. How did it impact your spending habits?

5. Describe a situation where finding budget-friendly alternatives to an expensive hobby or interest would be beneficial.
