## Divided America

### Short Answer Key

1. Jim proves that enslaved people were kind, intelligent, and loving, which challenges racist beliefs.
2. Huck learns that Jim is just as human as he is and that friendship is more important than race.
3. It is ironic because she teaches about kindness and goodness but plans to sell Jim, which is cruel.
4. Twain uses satire by showing people who claim to be moral but act unfairly, like the Grangerfords and Miss Watson.
5. Huck's decision shows that he has learned to think for himself and do what he believes is right.
