

Name _____

The Faux-Doctor Dilemma

Short Answer Key

1. Max decided to impersonate a doctor to impress Emily and make their date memorable.
2. Max retrieved the diamond necklace by attempting surgery with shaky hands and using surgical instruments he had seen on TV.
3. The real doctors were confused but allowed Max to proceed out of curiosity.
4. Max learned that honesty and a good sense of humor were more impressive than exaggerations.
5. Emily burst into laughter when Max admitted the truth about his fake doctor act, finding the situation funny.
