Name _____

Doctors: Healing Heroes of the Community

Open-Ended Response Questions

1. Discuss a personal experience or story where a doctor made a positive impact on someone's life or in your community.

2. Imagine a world without doctors. How would it affect the health and well-being of individuals and communities?

3. Do you think doctors should be more involved in community health education? Why or why not? What benefits might this have for communities?

4. How has the role of doctors evolved over time, and what challenges do they face in today's healthcare system?
