

Name _____

Donatello: The Renaissance Sculptor of Innovation

Open-Ended Response Answer Key

1. Answers will vary, but a sample question could be: "What inspired you to take such an innovative approach to sculpting, especially in your portrayal of David?"
2. Answers will vary, but students may discuss the differences in style, symbolism, and character portrayal in the two sculptures.
3. Answers will vary, but students may describe the scene, surroundings, and emotions they would convey as part of the artwork.
4. Answers will vary, but students may discuss how Donatello's dedication to realism and his ability to convey human emotions contributed to the evolution of sculpture during the Renaissance, making it more relatable and expressive.
