

Name _____

Dorothea Tanning: Surrealism's Enigmatic Artist

Short Answer Key

1. Dorothea Tanning's artistic style often featured dreamlike and hallucinatory imagery, blurring the lines between reality and fantasy. Common themes in her works included surreal landscapes, unsettling characters, and eerie settings.
2. Dorothea Tanning's marriage to Max Ernst resulted in a powerful creative partnership. They influenced each other's work and continued to create art together, contributing to each other's artistic journeys.
3. "Birthday" is one of Dorothea Tanning's most famous paintings, depicting a strange, bird-like creature in a mysterious room. Its significance lies in its dreamlike and enigmatic imagery, which aligns with Surrealism's fascination with the subconscious and the mysterious.
4. After Max Ernst's death in 1976, Dorothea Tanning remained an active and influential figure in the Surrealist community. She continued to create art and write poetry, participating in exhibitions and leaving a lasting impact on the movement.
5. Dorothea Tanning's legacy is marked by her unique blend of beauty, mystery, and Surrealist intrigue. Her contributions to Surrealism, her dedication to her craft, and her long-lasting influence on the art world make her a celebrated figure in art history.
