

Name _____

Impact of Race, Ethnicity, and Immigration Status on Economic Opportunities

Short Answer

1. Explain how discrimination and bias can affect individuals' access to quality education based on their race and ethnicity.
2. Describe the challenges faced by racial and ethnic minorities and immigrants in the job market, and how these challenges can impact their economic opportunities.
3. Provide an example of a policy or historical factor that has contributed to income disparities between minority groups and white populations.
4. How can legal barriers related to immigration status limit access to certain jobs and benefits, leading to economic instability for immigrants?
5. Discuss the significance of Frida Kahlo's art in addressing issues related to identity, race, ethnicity, and cultural diversity.
