

Name _____

The Extraordinary Adventures of Eddie Green

Short Answer Key

1. Eddie found the old typewriter in the park, and it was rusty and covered in dirt when he discovered it.
2. Eddie cleaned the typewriter meticulously and found a fresh ribbon for it. He discovered that each key produced a unique sound, like musical notes.
3. Eddie's captivating stories caught Ms. Thompson's attention, and she decided to publish one of his stories, "The Enchanted Typewriter," in the newspaper.
4. Eddie's stories brought excitement and creativity to the town, and people from all over the country wanted to read them. The town became a hub of excitement and imagination.
5. The typewriter symbolized the extraordinary potential hidden within the ordinary. It was significant to Eddie because it allowed him to transform the mundane into the extraordinary and share his imagination with the world.
