

Name _____

Elevator Escapades

Short Answer Key

1. Mark, Tim, and Mr. Jenkins reacted with tension and awkwardness when they found themselves trapped in the elevator with Sarah.
2. Some of the awkward moments and comments inside the elevator included Mark's failed joke, Tim's bewildering financial advice, and Sarah's accidental compliments and misstatements.
3. The characters attempted to fix the elevator by dismantling the control panel, offering to hotwire it, and using a banana as a makeshift phone. Their efforts were unsuccessful.
4. The characters' shared experience of being trapped in the elevator led to moments of bonding and laughter as they shared stories and experiences, turning an awkward situation into a memorable one.
5. From the experience in the elevator, Sarah learned that shared laughter and bonding can emerge from uncomfortable situations. It affected her relationships by bringing her closer to Mark, Tim, and Mr. Jenkins, allowing them to see the humorous side of life.
