

Name _____

Ellis Island and War

Short Answer Key

1. Fewer immigrants came because travel was dangerous and some people stayed to help in the war.
2. Some people from enemy nations were detained because the U.S. worried they might be spies.
3. The 1917 literacy test made it harder for some immigrants to enter because they had to prove they could read.
4. The U.S. limited immigration during World War II because of security concerns and travel dangers.
5. Today, Ellis Island is a museum that teaches people about immigration history.
